CONTACTS

DNA SAMPLE

- ✓ If collecting blood samples please ensure the volume is minimum 2 ml.
- ✓ When emailing the lab, include the patient's randomisation number, initials, date and time of sample collection.
- ✓ Blank tube labels are provided by the trial office and located in the Section 13 of the Site File.

- SANADII is attending the **ILAE conference in Nottingham, 18-20th September**. Visit our stand, get your questions answered, give us some feedback or simply chat with the team.
- **Substantial Amendment 5** was approved by the ethics and the MHRA. It involved changes to the protocol allowing the enrolment of incapacitated adults. Paper copies of the new protocol and localised versions of the new patient information sheets and consent forms will be posted to sites. Electronic copies of the new documents are available on request.
- Get in touch, if anyone from your site needs to attend an **initiation training**. We are booking in new dates all the time.
- We have opened 73 sites since trial commenced in Jun 2012 and there are about 25 more sites in setup.
- We are still **open to new sites**. Get in touch with the trial office, if you want to take part.
- Get in touch, if you have any comments or simply want to leave some feedback. **Thank You!**
