

# SANAD II

Trial Newsletter July 2013

A clinical trial comparing the effectiveness and cost-effectiveness of levetiracetam and zonisamide versus standard treatments for epilepsy: a comparison of Standard And New Antiepileptic Drugs (SANAD II)

## Meet the Team

Welcome to the first SANAD II trial newsletter. This monthly publication will be available through the website and bring the latest information regarding the trial and keep you up to date with recruitment progress..

The trial office is based at the Clinical Sciences Centre at the Aintree Hospitals site in Liverpool. (Left to right) Trial Co-ordinator, Dr Silviya Balabanova, Trial Co-ordinator assistants, Anna Kearney, Rachel Lloyd and Steven Pollock, Chief Investigator Prof Tony Marson.

## Latest News

The third substantial amendment will be submitted in July. This amendment will be to add new sites and notify where sites have changed Principal Investigator. There will be no Protocol changes in this amendment.

## Trial Opened

The SANAD II trial recruited its first patient on the 30<sup>th</sup> April 2013 at Alder Hey Childrens Hospital. Since then sites have been opening regularly with 14 sites now open throughout the UK. At the time of writing a total of 34 participants have been recruited:
